

Please Pray And Fast During "40 Days For Life" With Americans Throughout Our Nation

Day 1 - September 24, 2008

Go, therefore, and make disciples of all nations. Matthew 28:19

Heavenly Father, thank You for this opportunity to join my prayers and fasting with those throughout our country for the end of abortion. Have mercy on us all for any time that we have not stood up for life in the past.

Dear Jesus, I pray for those who are in vigil outside over 170 abortion clinics throughout our nation during this 40 Days for Life. Give them the right words and the right presentation to change the hearts of pregnant girls and women that they will not go through with their planned abortion.

Come Holy Spirit; renew our nation. Help us with our community outreach so that we might educate and touch the hearts of the apathetic and the pro-choice through our prayers, fasting, and constant vigil.

Day 2 - September 25, 2008

So God created man in His own image; in the image of God He created them. Genesis 1:27

Heavenly Father, how awesome it is that You created us in Your image! This is the basis of our human dignity from which flows our human rights. Forgive our nation for not recognizing the right to live in the unborn human.

Dear Jesus, I pray for our legislatures and judges that they will make laws and judge according to Thy will. Remind them that the Declaration of Independence declares the "inalienable" right to life for all men, where the word "men" is taken to refer to all human beings, born and unborn.

Come Holy Spirit upon all pro-choice people to instill understanding in what science says - that a human being exists at the moment of fertilization. For the same scientific evidence that proves born persons are human, also proves the unborn to be human.

Day 3 - September 26, 2008

And God said to them, "Be fruitful and multiply, and fill the earth and subdue it, and have dominion over the fish of the sea and over the birds of the air and over every living thing that moves upon the earth" Genesis 1:28

Heavenly Father, could a loving God command us to be fruitful and multiply into over population and extinction? Forgive those who encourage abortion for the poor, disadvantaged, and selected races in our country. For Your Son, Our Lord Jesus Christ, was poor, disadvantaged to the point that there was no place for Him to be born except in a stable, and born a stranger in a distant land from that of His mother's.

Dear Jesus, I pray for those who see abortion as a method of birth control and even population control of "less desirables." I pray for the world organizations that are requiring that Third World countries accept abortion programs in order to qualify for financial assistance that they change this atrocious requirement.

Come Holy Spirit upon all pro-choice people so that they will understand that when You gave us dominion over life, it was to care for life not to destroy life, to be stewards of life not to own life.

Day 4 - September 27, 2008

For You formed my inward parts; You covered me in my mother's womb. Psalm 139:13

Heavenly Father, You have marvelously designed the womb to be a place of protection and the perfect environment as we go through over half of our stages of development. Forgive our nation for discriminating against the unborn - not because of race, color, religion, or sex - but because of residence in a womb.

Dear Jesus, I pray for those who deliberately confuse the facts about embryonic stem cell research for financial gain. They claim that embryonic stem cells are so superior to adult stem cells because they can form any cell in the human body, blatantly leaving out the premier fact that this has only happened in the perfect environment of the mother's womb - never even once in a laboratory in over 25 years of experiments, wasting billions of dollars.

Come Holy Spirit upon all Americans so that they will understand the differences between embryonic and adult stem cell research and not only say "NO" to funding of embryonic stem cell research but also make it illegal.
