

## **Please Pray And Fast During “40 Days For Life” With Americans Throughout Our Nation**

### **Day 5 – February 21, 2009**

*From man in regard to his fellow man I will demand an accounting for human life. Gen 9:5*

Heavenly Father, can anyone ask You to be clearer than this? It is incomprehensible that over 93% of the over 50 million recorded abortions since 1973 have been only for the reason of convenience and 6.5% for preference. Grant us the grace of repentance so that You can forgive our nation for allowing such an atrocity! Have mercy on those involved in abortions in any way.

Dear Jesus, I pray for all those who took part in redefining “conception” as “implantation” rather than “fertilization”, so that they could make money from contraceptives that harden the womb making it impossible for the 7 to 14 day old embryo to implant and live. O Lord, how many billions of embryos have died for the profit of drug companies and the Culture of Death!

Come Holy Spirit; enlighten those who experiment on embryos and fetuses and those who support embryonic stem cell research. Help them, our lawmakers, and President Obama realize that the ends never justify the means and that helping one person at the expense of another is against Your Holy Will. Make clear how the proponents confuse the facts and present false hopes of “potential” cures dependent on the death of human embryos.

### **Day 6 - February 22, 2009**

*You know the Commandments ... Do Not Kill ... Mark 10:19*

Heavenly Father, thank You for being very clear – Do Not Kill is a very direct statement. Have mercy on those who believe that the preborn is not a human being even when presented with scientific fact that DNA is present in the fertilized egg.

Dear Jesus, when asked how to inherit eternal life, You started to list the commandments including of course, “Do Not Kill.” I pray for the abortionists who know they are killing human beings, especially for those who run Planned Parenthood, the number one abortion business in the nation, that they may have a change in heart and stop their slaughter of the preborn.

Come Holy Spirit; enlighten President Obama and all those who do not believe that the preborn is a human being from the moment of fertilization. Make them realize that abortion and embryonic stem cell research kill human beings. For the same scientific evidence that proves born persons are human, also proves the preborn to be human.

### **Day 7 - February 23, 2009**

*I praise you, so wonderfully you made me; wonderful are your works! Psalm 139:14*

Heavenly Father, Your design of our development is truly full of wonder and awe! Forgive those who set arbitrary time limits on when a preborn is a human person based on our ever-changing medical ability to keep a fetus alive outside the womb. How is it that our limited and changing abilities, and our incomprehensible understanding of the mystery of creation, should determine human life?

Dear Jesus, thank You for the 4D Ultrasound pictures that can show lips at week 6, eyelids at week 7, a frown at week 8, fingernails at week 9, teeth at week 10, fingerprints at week 11. I pray that mothers will be able to see her preborn through this new technology and change their mind about having an abortion. I pray that President Obama will see the pro-choice stance as extreme discrimination.

Come Holy Spirit upon our nation and instill a profound reverence for all human life and its development. Encourage all to insist that excluding funding of abortion be explicit in any health reform.

### **Day 8 - February 24, 2009**

*Do you not know that your body is a temple of the holy Spirit within you, whom you have from God, and that you are not your own? For you have been purchased at a price... 1 Corinthians 6:19-20*

Heavenly Father, thank You for claiming us as Your own. You alone own us. You entrust us to the care of one another, not to own one another. Forgive those who believe that a mother owns her preborn child and so has the right to choose whether or not her preborn lives or is killed.

Dear Jesus, I pray for the parents who “own” their excess embryos from in vitro fertilization, especially for those who have targeted their embryos for destruction and for embryonic stem cell research, that they might change their hearts and minds.

Come Holy Spirit upon all parents of excess embryos that they might recognize You as the true owner of all human life. Teach all people, especially President Obama, that there are not the millions of excess embryos targeted for destruction that the media implies there is; and even if there were, it is not a moral reason to target them for research.
