

Please Pray And Fast During "40 Days For Life" With Americans Throughout Our Nation

Day 9 - October 2, 2008

Go and tell John what you hear and see: the blind regain their sight, the lame walk, lepers are cleansed, the deaf hear, the dead are raised, and the poor have the good news proclaimed to them. Matthew 11:4-5

Heavenly Father, so many people are blind to the reality of what abortion is. Have mercy on Your little ones, who by week 12 in the womb, will feel excruciating pain during dismemberment, poisoning, and every abortion method.

Dear Jesus, I trust in You. I pray for all those who have become apathetic to the legalization of abortion and the nonexistence of laws to protect humanity from euthanasia, embryonic stem cell research, and cloning.

Come Holy Spirit. Open their eyes to the horror! Open their mind to the facts! Stir in their hearts Your love for life!

Day 10 - October 3, 2008

And it happened, when Elizabeth heard the greeting of Mary that the babe leaped in her womb; and Elizabeth was filled with the Holy Spirit. Then she spoke out with a loud voice and said, "Blessed are you among women, and blessed is the fruit of your womb! But why is this granted to me, that the mother of my Lord should come to me? For indeed, as soon as the voice of your greeting sounded in my ears, the babe leaped in my womb for joy. Luke 1: 41-44

Heavenly Father, what other evidence should anyone need to prove that a fetus is a person! For John felt such joy to be in the presence of Your Son, Our Lord Jesus, that he jumped for joy! Have mercy on the Supreme Court judges who legalized abortion in 1973 based on their inability to determine whether or not a fetus was a person and therefore could not be guaranteed the rights of "We the people..." as starts the Declaration of Independence. They ignored science. They ignored Luke 1:41-44.

Dear Jesus, only 3 months old in the womb, You made Your presence known to Elizabeth and her babe in the womb, John. I pray for all those who do not believe that a human being in the womb is a person. I wonder what they think you were in Mary's womb.

Come Holy Spirit upon the lawmakers and judges of our land that they will know that an unborn human being is a person and so must have the rights that a born person has.

Day 11 - October 4, 2008

Whoever causes one of these little ones who believe in me to sin, it would be better for him if a great millstone were put around his neck and he were thrown into the sea. Mark 9:42

Heavenly Father, the one of the great errors of making abortion legal is the conclusion that since it is legal it must be ethical. This has led so many young mothers to abortion clinics. Have mercy on the lawmakers and judges who work to keep abortion legal. Make them see what they are causing and give them the grace to repent and repeal.

Dear Jesus, I pray for all those who encourage, provoke, or coerce mothers, especially young girls, into abortion. I pray for those who advertise for abortions. I pray that all pro-abortion candidates be defeated so that they cannot further influence our young.

Come Holy Spirit upon our lawmakers who allocated the over \$300 million tax money to go to Planned Parenthood last year. Enlighten them that this only allows Planned Parenthood to channel their other moneys into targeting teens to get an abortion and take abortifacets as they encourage promiscuity and push for sex education of grade school children.

Day 12 - October 5, 2008

Woman, where are they? Has no one condemned you? ... Neither do I condemn you. Go, and from now on do not sin anymore. John 8:10-11

Heavenly Father, what are the daunting influences that prompt a mother to allow her unborn child to be killed? – Ignorance, social or financial pressure, fear, selfishness? For the sake of Your Son's sorrowful passion, have mercy on them and on the whole world.

Dear Jesus, You will not condemn one who repents. I pray for the women who have had an abortion and those who experiment on embryos. Heal them Lord. Forgive them and have mercy on them.

Come Holy Spirit. Inspire them to seek help, to repent, and to be witnesses for the harm that abortion does to women.
