

Please Pray And Fast During "40 Days For Life" With Americans Throughout Our Nation

Day 21 – March 9, 2010

Rescue those being led away to death. Proverbs 24:11

Heavenly Father, thank you for all the babies saved during the first half of our 40 Days for Life. Truly, you are attentive to our prayers and fasting as we support those who prayerfully vigil outside 162 abortion clinics throughout our land.

Dear Jesus, I pray for all those who have come forward for post-abortive help during our first 20 days, especially for the abortion workers who are lost in trying to deal with their guilt. Through Your loving mercy, I know that they will find healing in the compassion and forgiveness of Your Sacred Heart.

Come Holy Spirit. Stay with us and grant us the perseverance to continue our fast and our prayers, especially for the conversion of President Obama, in our endeavor to rescue the preborn from death by abortion and rescue the terminally ill from euthanasia.

Day 22 - March 10, 2010

He will reply, "I tell you the truth, whatever you did not do for one of the least of these, you did not do for me." Matthew 25:45

Heavenly Father, certainly the embryo in its first few weeks of life is the least of our brothers. Within this little human being is Your design for his or her unique life. The formula for his or her body, bone structure, talents, even fingerprints, and ALL human chromosomes are present in their DNA from the moment of fertilization! Have mercy on all those who work for embryonic research.

Dear Jesus, the Nuremberg trials sickened all Americans. It's not hard to be against experimenting on born human beings. But how come not intolerable when the human being is in the most helpless second stage of development, an embryo? Maybe because we can't picture it. I pray for all those whose understanding is limited by not being able to see the young embryo as a human life.

Come Holy Spirit. Enlighten President Obama and all those who do not believe that the human being in its earliest stages is to be valued as being human. Teach all Americans that to be pro-life is not to be against medical research or the advancement of medical treatment but to be against using human beings as property to be experimented on at the expense of their life. Inspire them to support adult stem cell research proven successful in over 100 treatment areas, less costly, and most importantly, does not kill a human being.

Day 23 - March 11, 2010

Woe to you, teachers of the law and Pharisees, you hypocrites! You give a tenth of your spices—mint, dill and cummin. But you have neglected the more important matters of the law—justice, mercy and faithfulness. You should have practiced the latter, without neglecting the former. Matthew 23:23

Heavenly Father, thank You for all the resources we have to find out who the hypocrites are. Help us identify the likes of the Susan G. Komen Breast Cancer Foundation, which lists abortion first under "factors not related to breast cancer," when in fact there are over 30 scientific studies that show a direct link, reporting up to 100% increased risk of breast cancer for women who have had an abortion.

Dear Jesus, I pray for the Komen Breast Cancer Foundation, American Cancer Society, March of Dimes, and all the other charitable organizations and companies that financially support Planned Parenthood. Expose them so that people will stop donating to them.

Come Holy Spirit Enlighten those who financially support Planned Parenthood and President Obama and lawmakers, who budget money for Planned Parenthood. Make them realize that their grants, even for non-abortion purposes, do fund Planned Parenthood's multi-million dollar abortion business by enabling them to channel their money into their biggest moneymaker - abortion.

Day 24 - March 12, 2010

*Then the word of the Lord came to me, saying: "Before I formed you in the womb I knew you." Jeremiah 1:4-5
In Him we live and move and have our being. Acts 17:28.*

Heavenly Father, how awesome is Your creation of human life! You know us and so we exist and human life is sanctified. You know not just what we are but who we are. Have mercy on us for we have aborted over 50 million of our future leaders, teachers, scientists, ... Only You know what they would have become and what their contribution to society would have been. Have mercy on all those who justify abortion and embryonic stem cell research based on their decision that the preborn human being is not a person.

Dear Jesus, I pray for those who do not realize that the term human being comes from the phrase "being human", being a person. I pray that Roe v Wade, based on the Supreme Court judgment that the preborn is not a person, will soon be overturned.

Come Holy Spirit upon President Obama and those who believe that the preborn is not a person. Teach them that even the first human cell, the zygote, has being because God knows him or her as DNA is present in this very first human cell.
