

Please Pray And Fast During "40 Days For Life" With Americans Throughout Our Nation

Day 25 – October 16, 2010

Learn to do right! Seek justice. 1 Isaiah 17

Heavenly Father, on this Pray for Life Day we join our prayers with people all over the world. You have blessed us with an appreciation for the sanctity of human life. Reward our prayers and fasting as we seek justice for the most helpless, the preborn.

Dear Jesus, I pray that we will each in our own way do what we can to end abortion, euthanasia, and all research that devalues human life. You have given us each some talent or gift to use in this cause. Let our prayers and fasting be a diving board into the many ways we can help the pro-life cause through our time, talent, and treasure.

Come Holy Spirit. Teach us to know what we can do to overcome the Culture of Death that has fallen upon our land. Grant us the courage to make the sacrifices necessary to seek justice for the preborn and the terminally ill and to continue to pray for President Obama that he may learn the truth behind life issues and become an ardent supporter of the right to life.

Day 26 - October 17, 2010

Isaac prayed to the Lord for his wife because she was barren; and the Lord granted his prayer and Rebekah his wife conceived. The children struggled together within her, and she said, "If it is thus, why do I live?" So she went to inquire of the Lord. And the Lord said to her, "Two nations are in your womb, and two peoples, born of you, shall be divided; the one shall be stronger than the other, the elder shall serve the younger. Genesis 25:21-23

Heavenly Father, thank You for this reading that again points out that the human being in the womb has a personality, which only persons can have. Have mercy on our United States, for we are divided in our belief on whether a preborn human being is a person to be protected under law. Let us be the stronger. Help us get the laws in place to protect humanity. May our prayers to end the destruction of the preborn be as strong as Isaac's prayer for his wife to conceive.

Dear Jesus, I pray for President Obama and our legislatures that they will recognize the preborn in all stages of life as a person; and so, pass the laws necessary to protect the preborn from abortion and all types of scientific research that destroys the preborn's life.

Come Holy Spirit. Alert those, who have not been able to have a baby and wish to carry and adopt a child, that in the United States there are around 11,000 frozen embryos waiting to become a "snowflake baby" in a loving home.

Day 27 - October 18, 2010

Come, you who are blessed by my Father; take your inheritance, the kingdom prepared for you since the creation of the world. For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink ... Matthew 25:34-35

Heavenly Father, thank you for the testimonies of those who have lived through being dehydrated and deprived of food. We now have direct evidence of the agony that forced dehydration and starvation causes. Have mercy on the conscious, cognitively disabled, patients who are routinely and currently being dehydrated in nursing homes and hospitals throughout our country.

Dear Jesus, I pray for all those who consider putting a cognitively disabled loved one in hospice care. I pray they become aware that just because their loved one cannot communicate, they can feel and will feel excruciating pain if deprived of food and water as their body fluids dry up. Make all caregivers steadfast in insisting on food & water as ordinary care -not as extraordinary medical treatment.

Come Holy Spirit. Enlighten President Obama and all those who would stop the feeding and hydration of patients who have gone into a nonresponsive state. Make it known that dehydration causes a slow agonizing death over a period of 10 to 14 days.

Day 28 - October 19, 2010

Repent, for the kingdom of God is at hand. Matthew 3:2

Heavenly Father, Your kingdom is filled with justice and also compassion. Please have mercy on our nation for not recognizing the right to live in the unborn, the cognitively disabled, and the terminally ill, for we have allowed the destruction of more than 50,000,000 lives through abortion alone since 1973.

Dear Jesus, I pray for President Obama and our Senators, who have the responsibility of placing judges on our courts, that they select men and women of integrity whose goal it is to uphold the Declaration of Independence and the inalienable right to life.

Come Holy Spirit. Inspire all our lawmakers to keep funding of abortion out of health care reform and instead write the laws we need to protect humanity so that we can turn away from the culture of death and enter the kingdom of God through a culture of life.
