

Please Pray And Fast During "40 Days For Life" With Americans Throughout Our Nation

Day 33 – March 21, 2010

He tends his flock like a shepherd: He gathers the lambs in his arms and carries them close to his heart; he gently leads those that have young. Isaiah 40:11

Heavenly Father, a shepherd once told me that sheep often fall and get their legs so tangled up that they don't know how to get up. They depend on their shepherd to lift them up so they can walk again! I suppose that is why we are so often referred to as sheep in the Bible. We do have a tendency to get ourselves into situations that we just don't know how to get out of. Certainly, this Culture of Death in our land is one of those situations. Carry us close to Your heart so that we will be faithful to Your guidance.

Dear Jesus, You are our Good Shepherd. You have gathered us together during this 40 Days for Life. Gently lead those who are in crisis pregnancies to our help centers. Guide all of us in our efforts to keep these centers abounding in volunteers and supplies.

Come Holy Spirit. Pick us up. Lift up President Obama and all who promote the Culture of Death so we may all be able to walk again in the Light of Your Presence.

Day 34 - March 22, 2010

But each person is tempted when he is lured and enticed by his own desire. Then desire when it has conceived gives birth to sin, and sin when it is fully grown brings forth death. James 1:14-15

Heavenly Father, once the funding of embryonic stem cell research becomes a budget item, more and more money will be budgeted for it, often times without the knowledge of the taxpayer, just like the tax funding of abortion has grown to over \$350 million last year to Planned Parenthood alone. Bring President Obama to repentance for he has expanded funding of abortion overseas.

Dear Jesus, I pray that we be effective in stopping our nation's progress down the slippery slope of immoral research. As the early Greek definition of the word "sin" is the "the destruction of what is good" certainly the destruction of a human embryo is a sin.

Come Holy Spirit. Make clear to all lawmakers that the funding of embryonic stem cell research leads to cloning, due to rejection problems, and leads to embryo farming, since the number of embryos available at in vitro fertilization clinics has been greatly exaggerated. Help us stop the evil of embryonic stem cell research as it is leading to other evils of cloning and embryo farming.

Day 35 - March 23, 2010

I praise you, for I am fearfully and wonderfully made. Psalm 139:14
Be merciful as your heavenly Father is merciful. Luke 6:36

Heavenly Father, I worship You as the Creator of human life. Have mercy on our nation, which is so quick to destroy Your creation. Stay Your hand of justice, which we surely deserve for the destruction of life that is taking place daily as countless embryos will die due to in vitro fertilization and biomedical research, over 3,000 babies will be aborted today, myriad embryos will die prevented from implanting in the womb due to contraceptives, and unknown numbers of people will die of forced dehydration.

Dear Jesus, I pray for all those who have promoted, assisted in, or had an abortion: that they will come to a realization of what they have done, that they will repent, and will be healed through Your mercy. I pray for all those who sit idly by and those who are ignorant to the facts, that they will realize what they have not done, will repent, and do their part in our pro-life cause.

Come Holy Spirit. Stir President Obama to become a champion for life through an epiphany of wonder for human life.

Day 36 – March 24, 2010

Faith without deeds is dead. James 2:26
Therefore, my beloved brothers, be steadfast, immovable, always abounding in the work of the Lord, knowing that in the Lord your labor is not in vain. 1 Corinthians 15:58

Heavenly Father, it is easy to get burned out in this long, drawn out struggle against the Culture of Death. Remind us that you do not require that we be successful in any particular effort. You just ask us to be faithful to do what we can, for you have assured us that victory belongs to You and we do not labor in vain; we do not pray for President Obama in vain.

Dear Jesus, I pray that we will know Your will as to what we are to do in our work to bring about a Culture of Life, where every human being is valued and protected no matter how small, no matter where he or she lives, in a womb or a death bed.

Come Holy Spirit. Move all those who say they are pro-life to action. Encourage prayers and donations to shore up the foundation of our pro-life cause. Inspire each of us to pray, fast, donate, call a lawmaker, and do what we can to build up a Culture of Life.
