

## **Please Pray And Fast During "40 Days For Life" With Americans Throughout Our Nation**

### **Day 5 – March 9, 2014/ Sunday**

*From man in regard to his fellow man I will demand an accounting for human life. Gen 9:5*

Heavenly Father, can anyone ask You to be clearer than this? It is incomprehensible that over 99.7% of the nearly 57,200,000 recorded abortions since 1973 in the United States, have been for the reasons of convenience, preference, or crisis. Grant us the grace of repentance so that You can forgive our nation for allowing such an atrocity! Have mercy on those involved in abortions in any way, especially those involved in the 64% of abortions that are coerced. Help us eliminate the crisis not the pregnancy in a crisis pregnancy.

Dear Jesus, I pray for all those who took part in redefining "conception" as "implantation" rather than "fertilization", so that they could make money from contraceptives that harden the womb making it impossible for the 7 to 14 day old embryo to implant and live. O Lord, how many billions of embryos have died for the profit of drug companies and the Culture of Death!

Come Holy Spirit; enlighten those who experiment on embryos and fetuses and those who support embryonic stem cell research. Help them, our lawmakers, and our judges realize that the ends never justify the means and that helping one person at the expense of another is against Your Holy Will. Make clear to them how the proponents of embryonic stem cell research confuse the facts and present false hopes of "potential" cures dependent on the death of human embryos.

### **Day 6 - March 10, 2014/ Monday**

*You know the Commandments ... Do Not Kill ... Mark 10:19*

Heavenly Father, thank You for being very clear – "Do Not Kill" is a very direct statement. Have mercy on those who believe that the preborn is not a human being even when presented with the scientific fact that DNA is present in the fertilized egg, the zygote, the one cell human being! Thank you for the 8,245 lives documented as saved from abortion during our previous 40 Days Campaigns.

Dear Jesus, when asked how to inherit eternal life, You started to list the commandments including, "Do Not Kill." I pray for the abortionists who know they are killing human beings, especially for Planned Parenthood, the number one abortion business in the nation, accounting for over 6,718,200 deaths since 1970, that they may have a change in heart and stop their slaughter of the preborn.

Come Holy Spirit; enlighten all pro-choice and pro-abortion minds that abortion is intrinsically evil and cannot be morally justified for any reason or set of circumstances.

### **Day 7 - March 11, 2014/ Tuesday**

*I praise you, so wonderfully you made me; wonderful are your works! Psalm 139:14*

Heavenly Father, Your design of our development is truly full of wonder and awe! Forgive those who set arbitrary time limits on when a preborn is a human person based on our ever-changing medical ability to keep a fetus alive outside the womb. How is it that our limited and changing abilities, and our incomprehensible understanding of the mystery of creation, should determine human life?

Dear Jesus, thank You for the 4D Ultrasound pictures that can show lips at week 6, eyelids at week 7, a frown at week 8, fingernails at week 9, teeth at week 10, fingerprints at week 11. I pray mothers will be able to see their preborn through this new technology and change their mind about having an abortion. I pray that voters will see the pro-life as pro-informed and vote an informed conscience.

Come Holy Spirit upon our nation and instill a profound reverence for all human life from fertilization to natural death. Encourage Americans to insist that excluding funding of abortion, assisted suicide, and all forms of euthanasia be explicit in any health reform.

### **Day 8 - March 12, 2014/ Wednesday**

*Do you not know that your body is a temple of the holy Spirit within you, whom you have from God, and that you are not your own? For you have been purchased at a price... 1 Corinthians 6:19-20*

Heavenly Father, thank You for claiming us as Your own. You entrust us to the care of one another, not to own one another. Forgive those who believe that a mother owns her preborn child and so has the right to choose whether or not her preborn lives or is killed.

Dear Jesus, I pray for the parents who "own" their excess embryos from in vitro fertilization, especially for those who have targeted their embryos for destruction and for embryonic stem cell research, that they might change their hearts and minds.

Come Holy Spirit upon all parents of excess embryos that they might recognize You as the true owner of all human life. Teach all people, especially our lawmakers, that there are not the millions of excess embryos targeted for destruction that the media implies there is; and even if there were, it is not a moral reason to target them for research.
