

Pro-Life Prayer

O God, Our Loving Creator, all life is in Your hands from the moment of fertilization until death. We are grateful for the privilege of sharing in Your work of creation. Enlighten and be merciful toward those who do not value the gift of life. Convert President Obama, pro-choice judges and legislatures. Inspire them to seek and find the truth in You. Bless all those who defend the right to life of the preborn, the newborn, the handicapped, the aged, and the terminally ill. Grant that by our care of all who are pregnant, we might be a sign of Your love in the world today. This we ask in Jesus' name. Amen

Pro-life Prayer

Heavenly Father, how awesome it is that You created us in Your image! This is the basis of our human dignity from which flows our human rights, beginning with the right to life. Have mercy on our nation for not recognizing the right to live in the preborn human being. May the silent scream of those who have died through the excruciating pains of abortion impassion Americans to make abortion illegal once again.

Dear Jesus, I pray for our legislatures and judges that they will make laws and judge according to Thy will with the knowledge that the preborn is indeed a person as the words human being come from being human. I pray for the conversion of President Obama that he will take to heart the Bible reading where the preborn John leaps for joy as Jesus approaches him in the womb of Mary. Remind them all that the Declaration of Independence declares the "inalienable" right to life for all men, where the word "men" has always referred to all human beings, which must include the preborn as they are human beings too. I pray for all those in a crisis pregnancy that they receive the care they need and that they are not coerced by the Culture of Death to have an abortion.

Come Holy Spirit upon all pro-choice people, especially President Obama, to instill knowledge of the scientific fact that a human being exists at the moment of fertilization. For the same scientific evidence that proves born persons are human, also proves the preborn to be human. Enlighten all those seeking an abortion that their preborn belongs to You not to them. Disperse their fears. Fill their hearts with joy.

In the most holy name of Jesus we pray. Amen
